1. Referenced memorandum is attached for your information since the establishment of ceiling controls for contract personnel will be of interest. You are aware of the non-staff inventory and ADP reports on contract personnel, which have been developed in recent months at the direction of the Executive Director-Comptroller. A current effort seeks to develop criteria for the development of the ceiling. We shall try to keep you informed on developments in this direction.

2. We anticipate that the period 1 April to 30 June will be used to "firm up" a ceiling which will be allotted at Directorate level. I suggest that you inform the Chief, Plans Staff-DD/S of any problems which may arise out of the establishment of a contract personnel ceiling, since he is representing the Directorate in current discussions.
